Mayor's Annual Community Forum

Hidden in Plain Sight

Wayne Valley High School
Wayne, NJ

Mayor Christopher Vergano and Superintendent of Schools, Dr. Mark Toback, are proud to be sponsoring the annual "Wayne Community Forum—"Hidden in Plain Sight".

This exhibit and presentation is centered around a teenager's bedroom that is displayed to allow parents, grandparents, caregivers, teachers and other adults an opportunity to explore a teenager's bedroom to see and identify drug paraphernalia, hiding places and other signs that may indicate alcohol or other drug use by a teen.

Throughout the evening, prevention specialists, local law enforcement and other professionals guide attendees through the exhibit to explain various substance use trends, signs, symptoms and lingo in an effort to raise awareness about substance use and provide resources for parents and community members to help keep youth healthy and drug-free.
